**Hopalong Cassidy's Rustler Round-Up
Clarence Edward Mulford**

In a little town of Buckskin, population 100, or 200 depending on who did the counting, all kinds of trouble is brewing. See, there was a rivalry going on between Buckskin and a nearby town, Perry's Bend. That rivalry had turned sour, and involved the four nearby ranches. Hopalong Cassidy lives on the Bar-20, and the cows from the C 80 were mixing with his herd. There are gun fights, barroom brawls and stampedes to make live exciting out there on the Texas-New Mexico line!
